## TEAM NEWS

We welcome **John Clarke** (Contracts Manager) and **Laura Palmer** (Site Manager) to the BIS Team.

## CHARITY NEWS - Motiv8

BIS took part in a fund raising charity golf day at Boundary Lakes. Our BIS golf team helped raise £5000 for the charity **Motiv8**, who provide support and guidance for young people in Portsmouth, Havant, Gosport and Fareham.

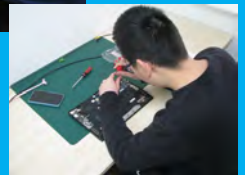

## CHARITY NEWS - Enable Ability

With our continued charity support to **Enable Ability**, we recently donated laptop equipment to the **Enable Ability Computer Repair Shop**.

Comments from Enable Ability:

"Following the generous donation of laptops from BIS, we have managed to refurbish and resell a few of the laptops to people in the local community. The others we have managed to salvage useful parts from, as well as using them for the participants to practice on / teach with."

Thank you so much, for your donations- they have clearly been a valuable resource for the Computer Repair Shop at our Inter Activ project.

## LOCAL SUPPORT NEWS

BIS have supported two local youth football teams this season, **Whiteley Wanderers U8's Girls** and **Warsash Wasps U11's Boys**.

End of season news for **Whiteley Wanderers U8's Girls** who made it to the semi final of a cup, only losing narrowly to the eventual winners of the competition. The girls have done great for their first season together in the Hampshire Girls Youth Football League.

End of season news for **Warsash Wasps U'11's Boys**. We celebrated several victories this season, including two memorable wins against our local rivals Whiteley and Hamble. The boys' determination and sportsmanship were on full display. We are incredibly grateful for your partnership and look forward to continuing this journey together. Your support has made a lasting impact on our team, and we are excited about what the future holds.
